

READ ACROSS AMERICA

March 2, 2018

MAINE EDUCATION ASSOCIATION

INCENTIVE GRANTS

Deadline for Application: February 2, 2018

The MEA Strategic Budget provides \$2,000 for incentive grants of up to \$50 each to *Presidents* of local governance affiliates who sponsor association activities for the ***Read Across America*** program on March 2.

The grants should be requested by the local association president for funding for activities within the local association.

Because of the overwhelming number of requests received last year, the grants will be honored as follows:

1. One \$50 grant to each local association president who submits a request, **first-come, first-served basis.**
2. If the amount is not completely dispersed to fulfill one request from each local association, then \$50 grants will be distributed to local associations who submit two requests on a **first-come, first-served basis,** then to local associations who submit three requests, and so on until the funds are exhausted.

The grants will be awarded to the local association and sent to the local president following the February 2 deadline.
